## Part 1 – A Voyage to the Black Sea

10 nights | BUDAPEST TO BUDAPEST | 11 - 21 June 2016

### Sat 11 June - BUDAPEST

This afternoon you will embark the beautiful Bellejour in Budapest. This evening as you enjoy your first cocktail and meet your cruise staff, Bellejour slips away from the pier heading down the Danube towards the Black Sea.

### Sun 12 June - CRUISING THE DANUBE. TOURING BELGRADE

This morning you will be aboard cruising the Danube, getting used to this amazing thoroughfare that takes traffic from the Black Sea, into the Main-Danube Canal and on to the Rhine and the North Sea.

After lunch you will disembark at Novi Sad for your afternoon and evening tour to the Serbian Capital, Belgrade. Belgrade is a hidden treasure, full of wonderful Orthodox Churches, the stark buildings of the communist era alongside medieval buildings and the city's dominant Kalemegdan Fortress. After time to wander the city we invite you to a typical Balkan dinner and folkloric show in the city before returning to Bellejour for a nightcap and overnight.

### Mon 13 June - CRUISING THE DANUBE THROUGH THE WONDERFUL DJERDAP GORGE

The Djerdap Gorge (also known as the Iron Gates) is a 134km stretch of the Danube from Serbia into Romania and separating the Carpathian Mountains from the Balkan Mountains. This is all a wonderfully scenic area, although the highlight is the Great Kazan where the river narrows to 150m and the cliffs rise to nearly 60m above the water.

### Tue 14 June - MORNING CRUISING. AFTERNOON TOUR TO BUCHAREST

After a leisurely morning cruising you arrive in Giurgiu after an early lunch. Here you disembark for your tour to the Romanian Capital of Bucharest. Home to 2 million people the city was modelled on Paris – full of boulevards, parks, lakes and magnificent old buildings. You will visit the Church of the Patriarch seat of Romania's orthodox leader, the half finished palace of former leader Ceausescu – ostentatious evidence of former indulgence and the Palace of Parliament. We rejoin Bellejour down river at Ostentita in time for dinner.

### Wed 15 June - VISIT THE DANUBE DELTA

This morning again relaxing enjoying the river. After lunch a wonderful tour as you explore the Danube Delta where the Danube flows into the Black Sea. A World Heritage Site since 1991 it is home to more than 4000 species of animal and 1000 types of plant. Your excursion takes you on small boats into the nature reserve, where you can witness the lives of the fishermen and, with luck, see pelicans, great white herons, ibises and ospreys.

### Thu 16 June - TOUR THE BLACK SEA RESORTS

This afternoon you reach the river port of Cernavodă where you join your tour to Constanța, one of the oldest and largest cities in Romania. Historic buildings, the great seaport and cafés against the backdrop of the Black Sea are the features of Constanța. You will visit the archaeological museum, view the Art Nouveau Casino before heading to the district of Mamaia, the most beautiful resort on the Romanian Black Sea. Here you will have time to stroll in the town or along the beach before heading back to Bellejour in time for dinner.

### Fri 17 June - MORNING TOUR OF RUSE. AFTERNOON CRUISING THE DANUBE

Ruse is a Roman City, once an important port berthing up to 60 Roman ships and the gateway from Bulgaria to the rest of Europe. You will see the Concert House, the Pantheon and the house of Elias Canetti – the great Nobel Literature Laureate, who later lived in Germany and England. You will also visit the Trinity Church and enjoy a short piano recital.

This afternoon will be relaxing on board as you cruise upstream on the Danube.

### Sat 18 June - A DAY CRUISING

A quieter day (after your hectic schedule for the last few days) as you spend all day cruising along the Danube. On both sides there will be small farming communities, historic towns and wide open spaces.

### Sun 19 June - NOVI SAD

An afternoon tour takes you to Novi Sad, where Europe meets the Balkans. Novi Sad was once a major fortress and you'll continue to the Petrovaradin castle – one of the most imposing in Europe. The tower here gives one of the best sweeping views of the river. From here continue to Sremski Karlovki – once the spiritual and political centre of Serbia – and where the treaty between the Turks and the Holy League was signed in 1699.

### Mon 20 June - A DAY IN THE PUSZTA. FAREWELL DINNER

Your final day aboard Bellejour (unless you are continuing on with us) is a lot of fun as you head to the Puszta, the great Hungarian grasslands. Here you will visit a traditional Hungarian farm where you will be welcomed with Apricot Brandy, before a horse and cart ride around the farm. After a show of horsemanship and races enjoy some Hungarian wine and snacks.

A Captain's Farewell Gala dinner will be held on board tonight to celebrate your wonderful 10 days aboard Bellejour.

### Tue 21 June - BUDAPEST

Along with Vienna, the pomp of the Austro-Hungarian Empire is best preserved in Budapest. Your tour starts in Pest on the left bank of the Danube where you will see Heroes Square, the Hungarian State Opera, St. Stephen's Basilica and the awe-inspiring Parliament building along the banks of the River. Crossing to Buda you climb to the historic castle area full of architectural treasures. Here you will visit Matthias Church ('The Coronation Church of the Lady') as well as the neo Romanesque Fisherman's Bastion affording the best views of the city.

This afternoon is free for independent sightseeing (and great shopping). Tonight after dinner you sail from Budapest.

### Thu 23 June - BRATISLAVA

Early this afternoon you arrive in Bratislava, the Capital of Slovakia. Your included tour takes you by mini-train to the 10th century castle, 83 metres above the city, with its four distinctive towers and wonderful view of the city and the river beyond. From here you return to the city itself for a guided stroll through the medieval alleyways, with their townhouses from the Renaissance period. In the Town Square you will see the Baroque Palaces that are such a feature of the city before walking back to the Bellejour. Late evening departure from Bratislava.

### Fri 24 June - ALL DAY IN VIENNA

One of the highlights of your cruise brings Bellejour to the Austrian Capital of Vienna this morning. Your morning tour includes all the highlights. These include the mighty palaces along the Ringstrasse, the Wiener Riesenrad Ferris Wheel, St. Charles Church and the home of the Vienna Philharmonic. From here you will stroll through the alleys and courtyards of the old city, where you can visit St. Stephens Cathedral, relax in a coffee house or time for some shopping before returning to Bellejour in time for lunch.

This afternoon will be free. You do not depart from Vienna until midnight so there is also a chance to explore ashore after dinner. An optional tour this afternoon (additional cost) includes the enormous Schönbrunn Palace, home of the Habsburg Emperors and with more than 1400 rooms.

### Sat 25 June - MORNING IN DÜRNSTEIN. AFTERNOON IN MELK.

After an early breakfast you will enjoy a walking tour of the lovely Austrian Town of Dürnstein. This medieval town dates back to the 12th Century and England's King Richard the Lionheart was once imprisoned in the city. Stroll the vineyards that overlook the town and the charming centre, before returning to Bellejour for lunch.

During lunch Bellejour continues to Melk. Your afternoon tour includes a visit to the immense abbey – the largest Baroque site in Austria. Dating from the 18th Century, the Abbey is 240 meters long, the dome 64 metres high and your visit will include the Imperial wing and the world famous library with over 80,000 volumes.

### Sun 26 June - AFTERNOON VISIT TO PASSAU

This morning Bellejour passes from Austria into Germany before you arrive in the Bavarian Town of Passau.

Your walking tour this afternoon includes the highlights of this city that dates back to Roman times and was a major power during the Renaissance. Your tour visits St. Stephens cathedral and the old city. Passau is at the junction of three rivers and everywhere in the city looks down on the water.

### Mon 27 June - AFTERNOON IN REGENSBURG

This morning is your last morning cruising on the Danube watching the activity on the banks of the river as well as the variety of river craft that pass. After lunch you arrive in the wonderful Bavarian town of Regensburg. Your walking tour includes all the highlights of perhaps Bavaria's most beautiful city. ## Part 3 – The Beautiful and Romantic Rhine

7 nights | NUREMBERG TO AMSTERDAM | 28 June - 5 July 2016

### Wed 29 June - BAMBERG

You are in Bamberg all day. The day starts with a tour of the city starting in the historic centre with the Town Hall and the Cathedral. Maybe the highlight of Bamberg is the 'little' Venice area – a former fishing settlement consisting of ornate rows of timbered houses dating back to the middle ages. The tour finishes back at Bellejour before lunch, but Bamberg is well worth heading back to in the afternoon on your own to explore this charming World Heritage Site at your own pace.

### Thu 30 June - WÜRZBURG

From here stroll to the centre of the town where you will see the Marienkapelle (late gothic church), the market place and enjoy the stunning view from the Old Main Bridge over to the Marienberg Fortress. Before returning to Bellejour there is some free time for you to stroll around.

### Fri 1 July - WINE TASTING AT DEPPISCH. AFTERNOON CRUISING

An early start today sees you heading for one of the famous vineyards along the Main River. Here a walk through the vineyards and an explanation of the winemaking process. Of course, a tasting is enjoyed before you rejoin Bellejour down river at Miltenberg. This afternoon will be relaxing aboard as you cruise the river. Today and tomorrow you cruise the most beautiful parts of the river where castles hang precariously to the hilltops and beautiful villages come down to the river's edge.

### Sat 2 July - RÜDESHEIM. VISIT THE EBERBACH MONASTERY

A 20 minute drive takes you through the beautiful Rheingau region – famous both for its wine and the beautiful castles that cover the region. At Eberbach Monastery you discover the history of the Cistercian monks, dating back to the 12th century. The building is very important (the movie 'Name of the Rose' was filmed here) and you will visit the highlights as well as see how the Cistercian monks made wine over the centuries. Of course, there is a tasting before you return to Bellejour.

This evening Bellejour is berthed in Koblenz and, whilst there is no official tour, there is the opportunity to stroll ashore before or after dinner.

### Sun 3 July - COLOGNE

One of the highlights of your tour is a visit to Cologne and Bellejour is here all day. In the morning a tour introduces you to the city. The tour strolls through the many highlights of the old city to the magnificent Cathedral. Here a history of the Cathedral will be given, after which you can explore inside on your own or walk back to Bellejour with your guide. This afternoon will be free for you to explore Cologne on your own until Bellejour sails early evening.

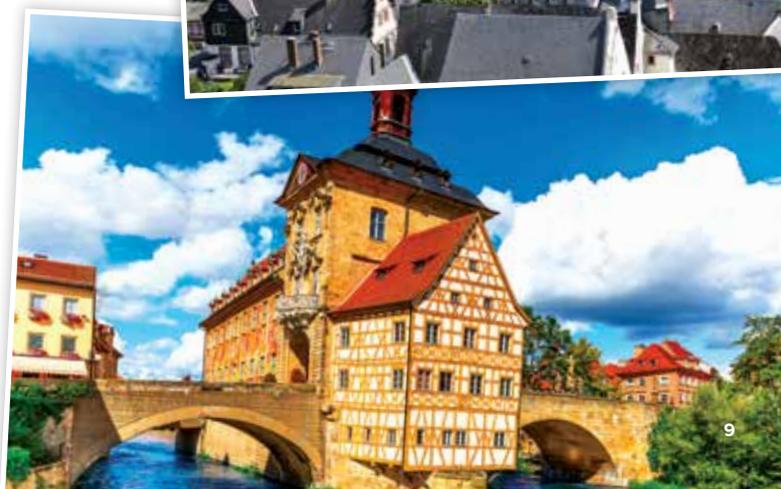

### Mon 4 July - KINDERDIJK AND UTRECHT. FAREWELL DINNER

This morning Bellejour will berth in the World Heritage site of Kinderdijk, having passed into Holland during the night. Kinderdijk is the oldest collection of windmills remaining in Holland. These 19 mills are used to pump water from the low lying land into a reservoir to stop it flooding. There is no organised tour here but you are free to explore the area and the windmills.

After a final afternoon cruising, Bellejour arrives in Utrecht late afternoon, where you can stroll through the town before the Captain's Farewell Gala dinner aboard. Utrecht was the most important city in the Netherlands until the middle ages and remains the centre of religion.

### Tue 5 July - ARRIVE AMSTERDAM. DISEMBARK

On the way back to Bellefleur you will stop on Fourvière Hill for a magnificent view of the city and the junction of the Rhône and Saône rivers.

This afternoon is free as you cruise down the river. An optional tour (additional cost) is available to the vineyards of Beaujolais leaving the ship before it sails from Lyon and rejoining Bellejour downstream in Vienne.

### Tue 5 July - MORNING CRUISING. AFTERNOON TOUR TO THE PONT DU GARD AND UZÈS

Cruise this morning along the river with small towns and huge vineyards on either bank. At lunch time Bellefleur arrives in Avignon.

You will return to Bellefleur late afternoon.

### Wed 6 July - MORNING TOUR OF AVIGNON. AFTERNOON TOUR OF ARLES

Perhaps the highlight of your entire cruise, your tour of the city of Avignon this morning is overwhelming. You will walk across the famous Pont Saint-Bénézet, see the Romanesque Cathedral and stroll along the streets of the historic centre with the modern market hall and the stately Patrician houses.

Once you return from your tour to Bellefleur the ship sails to the nearby city of Arles arriving mid afternoon. Your afternoon tour in Arles explores the Roman history of the city including the amphitheatre. You will also visit the Church of St. Trophime and the old centre of the city. Rejoin Bellefleur at Le Pouzin.

This afternoon will be the last time to relax and enjoy your wonderful cruise aboard the Bellefleur. This evening enjoy the Captain's Farewell Gala.
